

MEMBERSHIP APPLICATION FORM

The North Devon Astronomical Society welcomes new members from all walks of life and any age, gender, creed or ethnic persuasion. Those interested in joining us are invited to attend two of our monthly meetings without obligation to join or make any kind of payment before making the decision whether, or not, to join the Society. Currently, our annual subscription is £18 for Adult Members, £9 for Junior Members (under 18 years of age), or if you are retired, unemployed or a full-time student. No proof is required of your status; your word is enough. Member's Partners are invited to take out Associate Membership, which is free; Associate Members enjoy all the facilities of the Society with the sole exception that they are not entitled to vote at the Annual General Meeting, which is held at the February meeting, each year.

Junior Members must always be accompanied by an adult member of the family, or trusted family friend, to any meeting or event. If the adult is likely to be the same person each time, that adult is invited to take out Associate Membership.

PLEASE NOTE: We require that each new member gives the name and contact details of their Next of Kin. This is in case of any emergency arising at a meeting or event,.

If you decide to take out membership with NDAS, please enter your details below, for our records, and please feel free to withhold any information that you are not comfortable about supplying.

How did you learn about NDAS?		

NB: For new members, the full rate only applies during the month of September. Your actual first subscription will be calculated from the number of months remaining in the current membership year, which runs from 1st September. So, if you join in December as a Full Member, you actually pay £13.50, NOT £18!

Membership Application forms are available from the Treasurer at the monthly Society meetings, or prospective members may print off a copy of this form to complete and bring along to the next meeting they attend.
